2. DATE SUBMITTED: _____

3. PERMIT- BUILDING/ZONING REQUIRED: YES or NO (Circle one) **(Homeowner must contact the Township to determine if a permit is required; Permit Application Form must be attached to the request)**

4. HOMEOWNER NAME(S): _____

5. HOMEOWNER ADDRESS: _____

6. TELEPHONE NUMBER: (H) _____ (C) _____

7. EMAIL ADDRESS: _____

8. DESCRIPTION OF IMPROVEMENT AND WORK: Please attach additional pages if necessary. Please write legibly. Include all product names, model numbers, color(s) and permit application. If the Improvement requires a building/zoning permit from the applicable Township Building Department, an application form for said building permit must be submitted with the variance request application. **NOTE:** The variance request must be consistent with the requirements and procedures of the Bedminster and Bernards Township ordinance, as applicable. Although a municipal permit may be required in most cases, it is recommended that the applicant not officially apply for the municipal permit until the Architectural Committee approval has been obtained. The homeowner shall obtain the Township permit application, fill it out and attach it to the variance request.
